Urology Fundamentals: There's more to Urology than just Catheters!

March 14, 2020 • Birmingham, Alabama

2 AMA PRA category 1 credits given by ProAssurance
plus 4.5 AMA PRA category 1 credits

Course Description

Urology Centers of Alabama is offering continuing education through the Medical Association of the State of Alabama. This continuing medical education meeting is designed to provide physicians and other healthcare staff with a practical and timely overview of the important developments in the care of urology patients. The format will be an overview of the disease state and presentation on current standard of care for diagnosis and treatment. A spectrum of urology topics will be discussed. Adequate time after each set of lectures will permit panel discussion, as well as, opportunity for questions and comments from the audience.

Objectives

1. Better navigate the treatment pathway of Prostate Cancer and discuss the importance of early PSA screenings.
2. Identify, diagnose and treat overactive bladder in men and women.
3. Identify symptoms of BPH and discuss the various treatment options.
4. Identify the causes and symptoms of kidney stones and be able to explain different treatment methods.
5. Recognize the risks and benefits of the use of antibiotics in Urology.
6. Describe issues in regards to men's urological health. Specifically, be able to identify causes and treatment options for testosterone, ED and peyronies.
7. Form a collegial connection with UCA providers and devise a plan to handle urgent referrals.
8. Discuss technology advancements in healthcare and recognize upcoming changes.

Target Audience

This educational activity is designed for providers who treat and manage patients with urological issues. This includes those who specialize in family medicine, urgent care, internal medicine and OB/GYN. Also encouraged to attend are nurse practitioners, physician assistants and registered nurses. If interested, allied health professionals and industry representatives are welcome to attend this educational activity.
