Dear Patient ,

After 29 years as a urologist, it is time for me to retire. As of June 30, 2022, I will no longer be practicing at Urology Centers of Alabama. It has been my privilege and honor to take part in your medical care. I appreciate each relationship I have built and will greatly miss caring for my patients.

As for continuing your care at Urology Centers of Alabama, I am confident in my partners and know each of you are in good hands. If you would like to continue being seen at our Trussville location, Dr. Jared Cox, Dr. Tyler Poston, or Dr. Brian Wade would be happy to take over your care. If you would like to change locations, Urology Centers of Alabama has experienced urologists at 16 locations across central Alabama.

Urology Centers of Alabama will keep your medical records for a 10-year minimum after which they will be subject to availability. If you would like to request a copy of your medical records, please fill out the attached "Authorization to Disclose Health Information" form. You can submit this form via mail, drop it off, or fax 205-445-0115. We will submit your request to the third-party company we utilize for medical record releases, who will then mail the records to the provided address.

If I can be of any help to you over the next few months, please do not hesitate to call me at (205) 445-0198.

Thank you for allowing me to be your physician.

Sincerely,

D. Taylor Bragg, MD
